

## **AMENDMENTS TO THE DRAWINGS**

Kindly amend the drawings by replacing sheets 1 and 2 with the following new sheets.

In sheet 1, Figure 1, the reference numeral 19 was added to the triangular box receiving the Input Clock.

In sheet 2, Figure 3, "TUNE DOWN" was changed to "TUNE DONE" immediately below reference numeral 40.

### **REMARKS**

Regarding the drawings, applicants have provided replacement sheets to address the objections. The changes to the drawings are discussed above. Applicants submit that the drawings are now in compliance with 37 CFR 1.84.

In the specification, applicants have amended paragraph [0017] as suggested in the office action. Applicants have also amended paragraph [0019] based on Figure 3 to correct the reference to phase alignment circuit 30 and to describe the function of subtractor 48. Applicants submit that the specification is now in compliance with 35 USC 112.

Regarding the objection to the claim, applicants have amended the claim to reference the comparison of the deviations which is supported by the original disclosure in paragraph [0019]. Applicants submit that the claims are now in compliance with 35 USC 112.

For the above reasons, applicants submit that the pending claims are now patentable over the prior art of record and that the application is in condition for allowance. Such allowance is earnestly and respectfully solicited.

Respectfully submitted,  
Lionel Guenoun et al.
